

To Coaches,

My name is Tyler Low and I am a director with a company called PrimeTime Lacrosse. This summer we are pleased to announce the addition of a **girls' overnight camp at Babson College** July 19th-July 23rd for players ages 7-15, as well as **day camps in Cohasset, MA** (June 29th - July 2nd), **Franklin, MA** (June 29th - July 2nd) **Marshfield, MA** (July 6 - July 9) and **Nantucket, MA** (August 10th - August 12th) for girls 7-14. We have assembled an outstanding staff of current college athletes directed by two-time Babson Women's captain Ashley Platt.

The programs are filling fast, and we wanted to reach out to area girls' lacrosse players while there are still spots available. Our camp curriculum is designed to welcome new players, improve current player's skills, and challenge skilled players. You can learn more about all of our programs and our philosophy, as well as register for our summer programs now at PrimeTimeLacrosse.com. **Sign ups before May 1st enjoy a \$75 discount off the overnight camp tuition and \$40 off of our day camp tuition.**

We would greatly appreciate you passing this email along to any players who you believe may be interested in attending our programs. Thanks so much for your time, and please don't hesitate to contact me with any questions you may have. Good luck with the remainder of your season!
